

# NDB LIST

## ***South American NDB DX Award One Country***

(From a photo courtesy of Dick Pearce)

Reception of LF/MF non-directional radio beacons on another continent is an exacting test of the listener's skill and equipment.

This certificate recognizes reception by **Name** of at least one beacon in South America:

***SMR 287 kHz  
Santa Marta  
Colombia***

***30 October 2002 at 0238 UTC***

*Alan Gale - NDB List Administrator*

*Andy Robins - Awards Coordinator*
